College swimming shortlist

Alex Lane / Class of 2027 / men / Starting ZIP 21401

All schools, conference records and routing examples in this report are fictional.

Research snapshot 2026-11-19. The comparisons below use documented event fields, the selected priorities and the athlete times supplied at checkout. Placement estimates are historical comparisons. Admission, roster places and financial aid are decided separately.

Executive summary

11 programs qualify under the selected criteria. South Fen College leads the shortlist with a composite of 98.21 and a Strong fit. 1 reviewed program is listed in the exclusions appendix.

Ranked programs

Rank	Program	Division	Composite	Fit
1	South Fen College	D-II	98.21	Strong
2	Tidewater Institute	D-II	96.6	Strong
3	North Channel College	D-III	91.12	Good
4	Cape Meridian University	D-II	91.04	Good
5	Granite Shoals University	D-II	90.32	Strong
6	Blue Heron College	D-III	84.98	Good
7	Estuary College	D-III	83.09	Good
8	Port Alder College	D-III	80.41	Good
9	Copper Inlet University	D-I	80.2	Developmental
10	Ridgeline Coastal Institute	D-I	76.66	Developmental
11	Harbor Crest University	D-I	75.27	Developmental

01 South Fen College

D-II / Chesapeake Rivers Conference / Strong / Moderate confidence

Latest championship team finish: 2 of 12 teams (top half), 512 points.

The calculated fit is Strong. The evidence supports moderate confidence.

At 4:45.44 in the 500 Free (SCY), the swimmer would rank 3 against the documented team event depth.

In the 500 Free, the historical comparison gives estimated place 21. This performance falls inside the scoring places.

At 16:21.09 in the 1650 Free (SCY), the swimmer would rank 3 against the documented team event depth.

Five athletic checks

Roster viability / Likely based on the available same-course team event depth.

Team top five / The strongest documented team comparison is 1000 Free at estimated rank 2.

Conference top 24 / At least one current time compares inside the historical top 24.

Conference scoring now / Current scoring comparisons include 500 Free, 1650 Free, 1000 Free.

Improvement potential / The 1%, 2%, 3% faster scenarios include a scoring comparison.

Event comparisons

500 Free SCY 4:45.44

Roster event rank 3 among 10 documented swimmers. Full event depth: Yes.

Chesapeake Rivers Conference Championships / 2025–26 / Preliminary qualification and tiered final / estimated place 21 / scoring cutoff 4:50.55 / gap -1.76%

Scenario	Swim time	Est. place	Top 24	Scores

RESEARCH NOTES

Reviewed but excluded

Whitecap Technical College / A complete comparable roster event, recent championship field, and documented scoring schedule are required for at least one shared event.

Methodology and sources

Times are compared within the same event and course. Each projection applies the selected percentage improvement to the athlete time, then computes a new comparison against the historical field. The overall ranking uses the purchased weight settings. Individual event depth, conference scoring and admissions are separate considerations.
